

**SPANISH LANGUAGE AND CULTURE COURSES
CONDITIONS FOR UNIVERSITY GROUPS, ACADEMIC CENTRES AND AGENCIES
2017-2018**

GROUP PROGRAMMES

The UIMP organises, designs and runs specific academic programmes for non-native speakers in Spain aimed at high school students (minimum age of admission: 16), university students (accredited study stays) and vocational training for professionals (companies and international organisations).

The UIMP has been an Instituto Cervantes Accredited Centre for teaching Spanish as a Foreign Language. Being awarded this accreditation means that the centre complies with the terms and conditions set by the Instituto Cervantes Accreditation System (SACIC) - the only international accreditation based exclusively on teaching Spanish as a foreign language.

Furthermore, university students and professionals are able to come in summer and follow a more comprehensive programme combining Spanish language and culture classes with workshops, lecture series, meetings and seminars that cover current affairs and events with a clear scientific, social and humanistic interest as part of the UIMP Advanced Courses selection held at the Magdalena Palace (Santander).

If you represent an overseas university, institution, company or agency and would like to set up a training programme with the UIMP that adapts to the requirements of your group, we have three options available in Santander and at other UIMP campuses:

Incorporate your group onto scheduled courses.

Program one of our existing courses for the dates that suit your group.

Design a specific training programme for your university, institution or company in line with your requirements.

There is a specific programme for those students who need certification of the work done in accordance with the European Higher Education Area (ECTS)

1.- CONDITIONS FOR GROUPS

A.- STUDENTS-REGISTRATION

The UIMP will apply a fee discount for groups in line with the following:

For every 15 to 29 students enrolled 1 free place

For every 30 to 50 students enrolled 2 free places

For groups above 50 students, the administration department for Courses for non-natives may offer a higher number of free places. The fees for the free places will be discounted from the total group bill.

B.- GROUP TUTOR

- Accommodation and Meals

1-week course: The Universidad Internacional Menéndez Pelayo (hereinafter the UIMP) offers free accommodation in university halls for a teacher-tutor with at least 15 enrolled students.

2 to 4-week course: The UIMP offers free accommodation and meals in university halls for a teacher-tutor with at least 15 enrolled students.

-Teaching

If the programme requires the teacher-tutor to teach any subject, the UIMP may pay the teaching rates in line with current professional rates, subject to programme approval.

2.- CONDITIONS FOR AGENCIES

The UIMP will apply a 15 to 20% discount on fees for agencies or agents who request it (subject to the corresponding accreditation agreement being signed), as long as there is a minimum of 10 students.

10 to 29 students: 15%

30 to 50 students: 20%

This rate will be applied to Spanish language and culture courses as well as specialisation courses for teachers overseas.

The UIMP will look at specific inter-institutional agreements proposed where conditions different from those established in this document are set out.
