

Applied Economics Workshop

MASTER'S DEGREE IN ECONOMICS AND FINANCE

UNIVERSIDAD INTERNACIONAL MENÉNDEZ PELAYO

This document can be used as reference documentation of this subject for the application for recognition of credits in other study programmes. For its full effect, it should be stamped by UIMP Student's Office.

GENERAL DATA

Brief description

Module III, consisting of two seminars and the Master's thesis, is aimed at familiarizing students with research and research presentation techniques.

In the Applied Economics Seminar and the Economic Policy Seminar, students are required to read, present and discuss high-level scientific articles, while the Master's thesis consists of an original research project carried out by the student on the basis of the subjects taken during the Master's program and his or her professional career interests.
