

Economic Policy Workshop

MASTER'S DEGREE IN ECONOMICS AND FINANCE

UNIVERSIDAD INTERNACIONAL MENÉNDEZ PELAYO

This document can be used as reference documentation of this subject for the application for recognition of credits in other study programmes. For its full effect, it should be stamped by UIMP Student's Office.

GENERAL DATA

Brief description

Module III, consisting of two seminars and the Master's Thesis, is aimed at familiarizing students with research and presentation techniques.

At the Seminar on Applied Economics and the Seminar on Economic Policy, students must read, present and discuss high-level scientific articles, while the Master's Thesis consists of an original research work carried out by the student according to the subjects he has studied during the Master and his professional career interests.
